# LIFE AT BEAREHILL IS RELAXING, WARM AND WELCOMING

We appreciate that every one of our residents is an individual with needs that are specific to their wellbeing and happiness, which is why we offer lots of home comforts and activities to get involved with. If a resident has a hobby or pastime they enjoy, we'll actively encourage them to continue it with us.

Our chef and catering team work hard to create meals that are nutritious and tasty, using fresh seasonal ingredients. In addition, we celebrate a variety of occasions throughout the year, and offer a range of activities so residents are never without something to do. We also provide

lots of home baking, snacks and fresh fruit to enjoy throughout the day.

Our staff enjoy creating lots of special moments and meaningful days, and we are committed to continually improving the services, facilities and activities on offer.

**“Our mother was in the home for three months of respite care. We found the staff and management to be excellent. Many thanks to all for the wonderful care provided to our mum.”**
